

# WOODBINE BEND

---

GOLF COURSE & RESTAURANT

---

## Corporate Membership Regulations:

1. Each Corporate Member on the membership form is permitted to golf and cart during hours of operation.
2. Corporate members will be asked to make a tee time before coming to the golf course. Should corporate members not be accompanying the group that will be playing and there is no reservation for the group, the group will not be able to use the corporate. We do this to protect our members and ourselves.
3. Corporate member guests will not be able to use any membership privileges for league play. I.e. Significant others or friends of corporate members will need to pay full league dues and fees at the time necessary.
4. Corporate members are encouraged to send a foursome to tournaments with the cost of the tournament green fee covered. This means that if the cost of the tournament is \$100 but greens fees are \$40 the foursome representing the corporate members will pay \$60. This is in place to help support the cause of the event organizers as well as non-golf expense.
5. The membership is a purchase of 2 foursomes (tee times) per day. These rounds are yours (the four people on the membership form) to do with as you please outside of league and tournament play.
6. All members will be asked to remember that the staff at Woodbine Bend can amend and add to the regulations of the corporate membership at any time to make the relationship between golfers and course beneficial for all parties involved.
